Visit a café, decide what you would like and tell the waiter/waitress. Goldilocks wasn't very polite when she was at the bears' house, so practice your table manners and teach Goldilocks what to do!

Have a teddy bears' picnic at home! Choose your favourite teddies and invite them to your picnic. Set up the table or picnic rug, make some yummy food and have fun with your guests. Maybe you could invite your family and play some party games!
