## PUPIL PREMIUM POLICY

April 2018

Review: April 2019

In the financial year 2017 – 2018 we received £24340 of Pupil Premium funding overall. Next financial year 2018 – 2019 we will be receiving £18480.

The DfE has given us the freedom to use the Pupil Premium as we see fit, based upon our knowledge of our pupil needs.

*'It is for schools to decide how the Pupil Premium, allocated to schools per FSM pupil, is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility.'*

However, we are accountable for the use of this additional funding.

### **The Pupil Premium**

The Pupil Premium is additional funding which is allocated to schools on the basis of the number of pupils who have been eligible for free school meals (FSM) at any point over the last six years (known as 'Ever 6 FSM'). The Pupil Premium is aimed at addressing the current underlying inequalities which exist between children from disadvantaged backgrounds and their more affluent peers.

The Pupil Premium also provides funding for children who have been looked after continuously for more than six months and the children of service personnel.

The Pupil Premium was initially introduced in April 2011 when schools received an additional £488 for each of their pupils eligible for free school meals. In April 2012 this was increased to £623, and has increased each year as follows:- 13-14 to £953, 14 – 15 to £1300. In the Year 15 – 16 it is worth £1320 per eligible pupil, £1900 for Looked After Children and children of service personnel receive a lower amount of £300, these figures remain unchanged for since Year 16-17.

### **Purpose of the Pupil Premium Policy**

The purpose of this policy is to outline how we will ensure that the Pupil Premium allocated to us has an impact on narrowing the attainment gaps which currently exist between our disadvantaged pupils and their peers.

As a school in receipt of Pupil Premium funding, we are accountable to our parents, the school community and Governors for how we are using this additional resource to narrow the achievement gaps of our pupils. The performance tables capture pupils covered by the Pupil Premium on a national level.

We are aware that under The School Information (England) (Amendment) Regulations 2012, Schedule 4 there is specified information which has to be published on a school's website.

Section 9 of this regulation requires schools to publish *'The amount of the school's allocation from the Pupil Premium grant in respect of the current academic year; details of how it is intended that the allocation will be spent; details of how the previous academic year's allocation was spent, and the effect of this expenditure on the education attainment of those pupils in respect of whom grant funding was allocated.'*

Through this policy we shall publish the above data. In meeting this requirement we will observe our continuing responsibilities under the Data Protection Act 2018, so that individuals or groups of individuals, including children funded through the Service Premium cannot be identified.

## **How we will make decisions regarding the use of the Pupil Premium**

In making decisions on the use of the Pupil Premium we will:

- Use the latest evidence based research<sup>1</sup> on proven strategies which work to narrow the attainment gaps and adapt these as necessary to meet the needs of our pupils.
- Be transparent in our reporting of how we have used the Pupil Premium, so that our parents, interested stakeholders and Ofsted are fully aware of how this additional resource has been used to make a difference.
- Encourage take up of FSM by working proactively with our parents and carers in a sensitive and supportive manner and to remove any potential barriers or stigma attached to claiming FSM. In doing so, we also recognise the vital role that parents and carers play in the lives of their children.
- Be mindful of the fact that eligibility and take up of FSM does not equate with pupils being considered to be of 'low ability' because of their social circumstances.
- Ensure there is robust monitoring and evaluation in place to account for the use of the Pupil Premium by the school and governing body.
- Recognise the fact that FSM pupils are not an homogeneous group and cover a wide range of needs. As such the strategies we use to raise attainment will take these group and individual needs fully into account.
- Use high quality teaching and learning as the preferred way to narrow the gaps in attainment in the first instance. We will also use high quality interventions with proven evidence of impact to assist our pupils who need additional support in a time limited way.
- Use the Pupil Premium for all year groups not just those taking examinations at the end of the year.

## **Roles and Responsibilities**

We expect all members of our school community, particularly staff and governors to be committed to raising standards and narrowing the attainment gaps for our pupils.

The Executive Head Teacher and members of the Senior Leadership Team are responsible for implementing this policy. They will ensure that all staff are aware of their responsibilities in narrowing the gaps of our pupils. They will also ensure that staff are given appropriate support and relevant professional development opportunities to accelerate pupil's progress and attainment. Through performance management arrangements, they will make sure narrowing the gaps is a priority area of focus for the school.

It will be the responsibility of the Head Teacher to report to Governors:

- The progress made towards narrowing the gap, by year group, for disadvantaged pupils;
- An outline of the provision that been made.

The Executive Head Teacher has day to day responsibility for co-coordinating the implantation of this policy and monitoring outcomes. She has expert and informed knowledge of evidence based

**Teaching and Support Staff will:**

- Maintain the highest of expectations of all pupils and not equate disadvantage of circumstance with 'low ability';
- Promote an inclusive and collaborative ethos in their classrooms which enable pupils from disadvantaged backgrounds to thrive;
- Plan and deliver curricula and lessons to a high standard and support the acceleration of progress in learning, so that gaps can be narrowed and improvements maintained;
- Support disadvantaged groups of pupils in their class through differentiated planning and teaching, especially for those who find aspects of learning difficult and are in danger of falling behind;
- Keep up-to-date with teaching strategies and research, which have proven track record in narrowing the gaps in attainment and achievement.

We will provide opportunities for staff to engage in a range of professional development opportunities suited to their particular needs and role. This will support them in implementing successful strategies to accelerate progress of pupils and narrow the gaps.

**Governing Body**

Our governing body has an important role in ensuring our school complies with legislation and that this policy, along with its specific stated actions for narrowing the gaps are implemented

Annually, our Governors will ensure that there is a statement to parents on how the Pupil Premium funding has been used to address the issue of narrowing the gaps in our school and the impact this has had.

**Appeals Procedure**

Any appeals against this policy can be made through the Governor's complaints procedure.
