

Invaders and Settlers

As mathematicians we will:

- Interpret and draw graphs relating to weather.
- Use roman numerals and negative numbers in context.
- Convert measures accurately.
- Use rulers and protractors effectively.
- Find the area of irregular shapes.

As writers we will:

- write stories, poetry, reports and explanations using the vocabulary, information, language and themes of the Anglo Saxon and Viking topic.

As artists we will:

- investigate the illuminated lettering styles of the Saxons Monks and the brooches of the Saxons.
- develop techniques, including control and use of materials, with creativity, experimentation and an increasing awareness of different kinds of art, craft and design.

As designers we will:

- Work collaboratively, creatively and using scientific knowledge to create a shelter for a specific purpose and group of people.

As SMART learners we will:

- Be motivated, aspirational, self confident, resilient team players.

As ICT specialists we will:

- Search the internet safely and effectively to find relevant and reliable information.
- combine a variety of software to accomplish a specific goal by creating webpages and power points.

As global citizens we will:

- explore conflict and collaboration.
- understand the contribution of others to our lives.

As readers we will:

- study a variety of texts, including stories, poetry and non-fiction texts, focusing on developing vocabulary, making inferences, predicting, explaining, retrieving information and sequencing texts.

As scientists we will:

- Explore the forces involved in floating, sinking and water resistance.
- Investigate the properties of materials.
- Investigate the requirements of growing plants.

As historians we will:

- know about Britain's settlement by the Anglo Saxons and Scots.
- know about the Viking and Anglo Saxon struggle for power in Britain at the time of Edward the Confessor.
- Examine the impact of the invaders on Britain.

As geographers we will:

- Describe and understand the reasons for settlement and how this affected land use and trade links during the time of the invaders.
- Locate the countries from which the invaders came and use maps to explore the routes they took and where they settled.
- Study the modern European countries of Scandinavia.
