

To Parents,

We hope you had a really lovely half term. It seemed to go by very quickly!

Here are some things that we will be up to over the next few weeks in Class 1. We are continuing with our whole school Digital Denton theme and are looking forward to inviting grown ups to our classroom during Digital Denton Week, more details will follow closer to the time.

In the classroom, the Performing Area has now changed to Goldilocks and the Three Bears and the children have already been enjoying trying on the different costumes and getting into role. There has also been some changes in the outside classroom. The Huff and Puff Area, Sand Area and Water Area have all been extended and revamped and the children have been really enthused by these changes.

Our Sharing Session day has also been changed to a Friday morning. The first one will take place Friday 4th March, we hope to see you there!

The Thursday evening drop in sessions are continuing, please feel welcome to sign up for an appointment!

Many thanks,

Camille McManus
