

*Dear Parents,*

Leave all modern conveniences behind and join Class 4 in the Stone Age! We don't need mobile phones, or cars, or supermarkets. We are learning to survive by tracking, hunting and listening to nature! We have our shelter, a cave in the classroom and we have found our spirit animal. All of us are looking forward to an exciting, innovative and creative time this term.

All the children have come back to school, raring to work, full of ideas and energy. They are settling in to the routines of the day and they are following 'Class 4's commitment to learning.'

Homework will be sent home on Fridays and then it must be returned by the following Friday. I would recommend sending in a snack of fruit or vegetables to have at break time, it is a long time until lunch time.

In Literacy we are using the book *Wolf Brother* for our inspiration as well as covering lots of grammar conventions. In Maths we are having a close look at place value, reasoning, problem solving with addition and subtraction and then time.

P.E. will be on Wednesday and Thursday. The Wednesday session will be taken by Chris Perry and be outside skills. (So a warm jumper and jogging bottoms is recommended.) The Thursday session will be apparatus based and indoors.

In I.C.T. we will be covering 'word' skills and internet safety. (Not very Stone Age!)

I am very much looking forward to this year and all the exciting possibilities that are going to happen.
