30th January 2014

Dear Parents/Carers,

The Curiosity School

One of our school values is 'To be curious and creative' to encourage our children to be enquiring and inquisitive learners. As part of our studies we will be holding a curiosity afternoon on Wednesday 12th February at 1.30pm and would welcome your help. Do you have an interesting artefact/object/book/photo/item of clothing/tool etc. that you would be willing to bring and share with the children? Our aim is for the children to ask questions and make comments about the objects and even to hazard a guess as to what it may be or its use. We would like as many people and artefacts as possible to help us make this a fun and enquiring afternoon for the children. Parents, Grandparents, aunts, uncles and neighbours are all welcome!

If you are able to help please could you sign the reply slip below and return to the school office by Friday 7th February.

Thank you for your support.

Yours sincerely,

Jill Gardner

I would like to bring along an item and join the children for Curiosity Day.
