

## School Council Meeting Agenda

15<sup>th</sup> July 2016

For our final school council meeting the School Councillors reflected on the year and the actions they had put in motion. Firstly we discussed what the children had enjoyed about being a School Councillor.

- “I enjoyed attending the meetings”.
- “I felt important and I hope future School Councillors will feel the same”.
- “I enjoyed making suggestions”.
- “I liked my opinions being listened to”.
- “It’s great that your ideas get discussed”.
- “I feel proud of how we have helped to develop the school. I feel smarter and have enjoyed having my views listened to”.

We also reflected upon the School Council’s achievements over the year.

- “We have much better equipment now for playtimes”.
- “It was fantastic meeting our local MP, Andrea Leadsom”.
- “I liked participating in the debates during Pupil Parliament”.
- “I really liked the Share a Book idea and meeting a local Councillor who gave us really good tips for debating”.
- “I really like the kites from Brightening Day as they are inspiring and they have made the school look a lot better”.
- “I think the Happy Hedgehog is a really good idea”.
- “Colouring club was really good for the winter”.
- “I think the Anti-Bullying reps were really good and the new equipment is great!”

The School Council’s final task as a Council was to decide upon a theme to re-name the classes to avoid confusion. After much discussion there was a tie-break between the following themes!

- Trees
- Countries

It is now up to the teachers to have the casting vote!

Many thanks School Councillors, you have been superb!
