26th January 2017.

To Parents and Carers,

A little while ago, the children of Denton were asked about which charities were important to them and why. The School Council then discussed these charities in great detail and after much consideration it was decided, by the School Council, that the charities Denton School should support this year are NSPCC and WWF.

The NSPCC day is taking place on Friday 3rd February. This day has a number theme to it, so not only will the children learn about the NSPCC charity but they will also be participating in a variety of fun maths activities during the day.

The School Council proposed that it would be a great idea for everyone to dress up in a number theme. This might include a cap, sports shirt, a onesie or a three piece suit; the more creative the better! The NSPCC carries out fantastic work for keeping our children safe by providing services to children who need support, such as the Childline. Their work could not happen without donations and therefore if you would like to donate on Friday all proceeds will go to the NSPCC.

The WWF day is in May, so more details will be made available closer to the time.

Many thanks

Camille McManus (on behalf of the School Council)
