---

17<sup>th</sup> November 2017.

Dear Parents/Guardians,

We would like to invite parents and carers of Denton and Yardley Hastings pupils to an evening to learn more about how we teach calculation in school.

We will be providing information about the strategies we use to teach addition, subtraction, multiplication and division.

You will be provided with our revised calculation policy which gives more detailed information about the stages we teach.

Teachers and support staff will be on hand to show you maths resources, examples of work, and if required will further explain and demonstrate strategies in more detail, allowing you to see the progression within each key stage and for each operation.

The evening will take place on Thursday 11th January at 6.30pm at Denton Primary School.

If you are interested in attending, please can you indicate this below so we have an idea of numbers to cater for.

Kind regards

Heidi Gilchrist and Bernie Nevison (Maths co-ordinators)

.....

## Maths Calculation Evening

\*I/We will/will not be attending the calculation evening on Thursday 11th January 2018. (\*please edit as required)
