4th June 2014.

Dear Parents and Carers,

Newsletter

Welcome back to school for the last term of this year. Where has the time gone!

Cake Sale- 5th June

We are holding our next Action Aid Cake Sale tomorrow to raise money for the children that we sponsor. Each cake costs 20p and your child may bring no more than 60p.

Hot School Meals

Whether your child is entitled to free school meals or you pay for your child's lunches, it is important that you place meal orders on the ParentPay website or if you do not have internet access, that you complete an order form which is available from the school office. If you do not place an order for your child then Nourish will not be able to provide them with a meal.

Music Tuition

Please return your instrument lesson request slips to school by Friday 6th June. We are really pleased that so many children showed interest in playing a brass or woodwind instrument last term when the music teachers gave the opportunity for them to see what they could learn to play. If you would like your child to audition for lessons, please return their completed slip.

Sponsor Money- Arthurs 3 Lakes Challenge

If you still have sponsor money to bring in to school, please pass it to the School Office by Friday 6th June.

Upper Key Stage 2 Trip to the Isle of Wight

I was really impressed with the children who came on the recent trip to the Isle of Wight. We had a fantastic week and lots of new friendships were made.

Website, Emailing and Twitter

We hope that you have visited our new website and also taken a look at our Twitter account where we are sharing updates and pictures throughout the school day: www.dentonprimary.net and @DentonPriSchool. If you have not yet opted in to receiving letters via email and would like to do so, please contact the School Office to request this.

Summer Weather

Although the skies are currently grey, we hope that the summer weather will be with us soon. Please send your child to school with a hat or cap and sunscreen and make sure that they bring their water bottle as learning can be thirsty business!

Yours sincerely,

Jill Gardner
