12th October 2018.

Dear Parents and Carers,

Parking

We are writing to you once more to ask for your cooperation and understanding when parking or driving your vehicles in and around the school. There have been a couple of incidents recently where the speed of drivers down Vicarage Lane has resulted in a near miss accident involving pupils from our school.

We would like to remind you that only staff members can park on the school grounds adjacent to the roundabout between 8:45 and 9:15 and 3:15 and 3:45, therefore only cars with a staff permit should be on the grounds at this time. If you are picking up or dropping off outside of these times, you are welcome to use the car park if it is safe to do so. Can we please remind you that the bus lane needs to be left clear to allow sufficient room for the bus. The bus company are endeavoring to supply a smaller bus every day and are arriving earlier to pick the children up therefore need a place to wait.

We appreciate that it gets very congested around the school and would encourage you to park considerately in other areas of the village and walk in. We would also like to remind you that spaces outside the village hall are reserved for users of that facility.

The safety of our children is paramount and with the current congestion and speeding down Vicarage Lane, we are seriously concerned that it is only a matter of time before an accident happens involving a child. Your considerate driving and parking will ensure safe access for all vehicles and pupils.

Could you please pass on the above information to any family members or friends that may drop off or pick up during the school day.

Yours sincerely,

Louise Brown and Rosie Gibson
