October 12th 2018

Dear Parents and Carers,

Our School Harvest Festival, Thursday, October 18th

Mrs Brown and I would like to invite you to this year's Harvest Festival, starting at 9:10, which is based on the theme of '**APPLES**'. Each class has prepared a small item which will be presented to you in this thanksgiving service.

To try to share our good fortune, this year's harvest charity is a very local one - Oakfield Community. The following paragraph is taken from their website and describes their work.....

The choice of home for your relative or loved one is an important and potentially difficult decision to make. We hope that our website will provide sufficient information for your needs but, if you have any further questions, please feel free to contact us, or come and visit us, where you will be sure of a warm welcome.

Oakfield provides two homes for adults with learning disabilities. In both we provide a caring and stimulating environment within which each individual is enabled to develop to their maximum potential. Our staff team supports individual needs as well as encouraging personal growth through high quality activities and learning programmes, which result in residents becoming more confident and ultimately more independent. Although regarded as a 'home for life' for the majority of residents, where a greater degree of independence is reached, residents are enabled to explore other options available to them.

You will be able to donate to Oakfield Community at the end of the assembly. Mrs Brown is looking forward to working more closely with The Oakfield Community - already the Gardening Club at Yardley is a shared venture.

We hope that you will be able to join us for our assembly.

Best wishes,

Mrs P A Dyson
