19th June 2014.

Dear Parents and Carers,

Nursery Provision for Children Aged 3 and Above

Fantastic news! We have received confirmation that we can open our doors to children aged 3 and above for nursery places from September. The nursery children will join our Reception pupils in Class 1.

Children aged 3 and 4 are eligible for 15 hours of grant funding to help them towards the costs of their time at nursery and parents may pay for hours that they attend above the funded amount. Initially, nursery pupils will only be able to attend for morning sessions. Once the teaching staff considers that they are ready, following consultation with the parents, they may stay for the remainder of the school day.

There will be limited places available, therefore it is very important that you register your interest with the school office as soon as possible. We ask for your responses by Monday 7th July at the latest for applications for September intake. Please spread the word and let your friends and neighbours know that the provision will be available as we know that there are families in the local area who do not yet have links with our school but may be interested in nursery places.

If you would like to register your interest, please email bursar@denton.northants-ecl.gov.uk or complete and return the slip below by Monday 7th July.

Yours sincerely,

Jill Gardner

Nursery Places- September 2014.

Registration of interest

I would like to express my interest in a nursery place at Denton Primary School for my child named
