Dear Parent/Carer

Ashby Federation Governor Survey 2020/2021

Thank you to all of you who took the time to reply to the online survey. It has been and continues to be a challenging time for many and so this is very much appreciated. Your feedback is useful for confirming to us what the school is doing well, but also enables us to identify areas that can be improved upon in the future.

Please find attached the survey results in graph format.

We would also like to share that the feedback to the open questions was very positive. Notably parents and carers were very pleased with the wellbeing support being given in school, the care and attention given by staff to families during lockdown and the quality of the remote learning experience, particularly over the last lockdown period.

If you have any questions about the results or would like to speak to a governor, please do contact us via the School Office. We would be pleased to hear from you.
