25th September 2014.

Dear Parents and Carers,

Applications for Nursery Places

We are very pleased that the children who joined us for Nursery at the start of this school year have settled in so well and are already a big part of our school community. We are now in a position to offer places to eligible children to join us in January and April 2015.

To ensure that we adhere with restrictions on class sizes and staffing ratios, we have a limited number of places available which will be allocated on a first come, first served basis for each session. On your application form, please indicate your preferred sessions. We cannot guarantee that your child will be able to attend all sessions that you apply for and we will discuss this with you once we receive your application form.

Any requests for changes or additions of sessions once your child has started Nursery must be made through the School Office.

Our school will accept allocated children from the start of the funding block (1st September, 1st January and 1st April) after their third birthday which is when they are entitled to The Free Funding Entitlement for 3 and 4 Year Olds. For example, if your child will turn 3 on the 2nd January, they are not entitled to the grant funding or a Nursery place at our school until the term following the Easter break. The grant funding covers 15 hours of childcare for your child but you may book additional sessions which are charged at £2.50 for the lunchtime session (you may bring a packed lunch or order a paid school meal at an additional cost), £12.00 per morning session and £8.30 per afternoon session.

If you would like to apply for a place, please complete and return the application form to the School Office and if you have any further questions, please do not hesitate to contact us.

Yours sincerely,

Jill Gardner
