30th January 2015.

Dear Parents and Carers,

The children of Denton School would like to ask you for your support in our charity fundraising day on Friday 6th February 2015. This year, Denton's School Council voted for our school to support the British Heart Foundation Charity as they felt that this was a charity that was really relevant to our school and the wider local community.

Therefore, could your child please be sent in to school on Friday 6th February wearing something red. It can be as much red or as little red as they want, from ribbons for hair to fully-clothed in red! There will be heart-related activities happening throughout the day, such as; knowing how to keep our hearts healthy and also finding out about the work of the British Heart Foundation. We would ask that children bring in a donation on this day, all money raised will then be passed to the British Heart Foundation, who offer fantastic support to families across Britain and who have led the way in heart research. If you would like to find out more then please find their website below.

<https://www.bhf.org.uk/>

We really appreciate your support.

Many thanks,

Camille Weston
